

QUALITY POLICY

Manluk Industries is engaged in the Manufacture and Coatings of Valves & Valve Components to Customer Specifications, Contract Manufacturing & Machining as well as Design & Manufacturing of flanged components that provide total customer satisfaction.

In order to achieve this, it is our Quality Policy to:

- Consistently deliver quality products and services that meet the needs of our customers.
- Continually improve our processes through active involvement of every employee, our customers and our suppliers.
- Continue compliance and certification to the requirements of applicable laws, regulations, and standards.
